- (g) The Determination Hearing will be an evidentiary hearing at which the Court will determine whether the Utility Blocked Account and the additional adequate assurance of payment requested by the Utility Company should be modified pursuant to Bankruptcy Code section 366(c)(3)(A).
- 12. Absent further order of this Court, the Utility Companies, including any subsequently added Utility Companies, are prohibited from altering, refusing, or discontinuing service to or discriminating against the Debtors on account of unpaid prepetition invoices or due to the commencement of these cases, or requiring the Debtors to pay a deposit or other security in connection with the provision of postpetition Utility Services, other than in accordance with the Additional Adequate Assurance Procedures contained herein.
- 13. Any Utility Company that does not serve an Additional Adequate Assurance Request by the Additional Adequate Assurance Request Deadline shall be deemed to have received adequate assurance of payment that is satisfactory to such Utility Company within the meaning of Bankruptcy Code section 366(c)(2), and shall further be deemed to have waived any right to seek additional

adequate assurance during the course of the Debtors' chapter 11 cases, except as provided in Bankruptcy Code section 366(c)(3).

The Debtors are authorized, in their sole discretion, to amend Exhibit A attached hereto to add or delete any entity, and this Order shall apply to any such entity that is subsequently added to Exhibit A hereto. For Utility Companies that are subsequently added to Exhibit A, the Debtors shall serve a copy of this Order on such Utility Company, along with an amended Exhibit A, and such subsequently added entities shall have twenty (20) days from service of this Order to make an Additional Adequate Assurance Request. For any entity that is removed from Exhibit A, the Debtors shall provide notice of such entity's removal and such entity shall have twenty (20) days from service of the notice to file an objection with the Court and serve such objection on counsel to the Debtors so as to be received by such date. If an objection is not properly filed and served, the entity will be deemed removed from Exhibit A and will not be treated as a Utility Company for purposes of this Order. In the event an objection is properly filed and

served, the Court shall schedule a hearing to consider entity's removal and objection thereto. Pending resolution of the objection, the entity shall continue to be treated as a Utility Company for purposes of this Order.

- including a subsequently added Utility Company, files and/or serves an Additional Adequate Assurance Request after the Additional Adequate Assurance Request Deadline, such request shall be treated as a request under Bankruptcy Code sections 366(b) or 366(c)(3), as applicable, and shall be granted, if at all, only after the Utility Company making such request schedules such request for hearing, on notice, in accordance with the provisions of the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure, including Bankruptcy Code sections 366(b) or 366(c)(3).
- 16. To the extent any entity that is not listed on Exhibit A believes it provides the Debtors with Utility Services within the meaning of Bankruptcy Code section 366, that entity must make a written request to be added to the list within 20 days of the date of this

Order and transmit such request to the Debtors and their counsel in accordance with paragraph 6 of this Order. Failure to make a written request within the 20 day time period bars such entity from terminating the services it provides to the Debtors pursuant to section 366 of the Bankruptcy Code.

- 17. Notwithstanding anything to the contrary herein, the Debtors' rights to challenge any claim on any basis filed pursuant to 11 U.S.C. § 503(b)(9), including, without limitation, claims filed by Utility Companies or entities removed or deemed removed from Exhibit A, are preserved.

- 19. The Court finds and determines that the requirements of Bankruptcy Rule 6003 are satisfied and that the relief requested is necessary to avoid immediate and irreparable harm.
- 20. Nothing in this Order or the Motion shall be deemed to constitute postpetition assumption or adoption of any agreement under Bankruptcy Code section 365.
- 21. The requirement under Local Bankruptcy Rule 9013-1(G) to file a memorandum of law in connection with the Motion is hereby waived.
- 22. This Court retains jurisdiction to hear and determine all matters arising from or related to the implementation or interpretation of this Order.
